Sacred Stillness

01

Serenity Bust

Matte black Buddha head crowned in a silvered lotus curl relief — a poised centrepiece for meditation corners and reading nooks.

02

Crescent Buddha

Seated in the cradle of open palms beneath a jewel-toned crescent moon, finished in hand-painted blues and gold leaf.

03

Palm Blessing

A serene figure resting in an open praying hand, robed in gold relief — a quiet gesture of peace for any tabletop.

Sacred Stillness

04

04

Golden Crescent

The same crescent-moon embrace in warm gold and hand-painted brocade — a radiant tabletop shrine.

05

Palm Blessing, Ivory

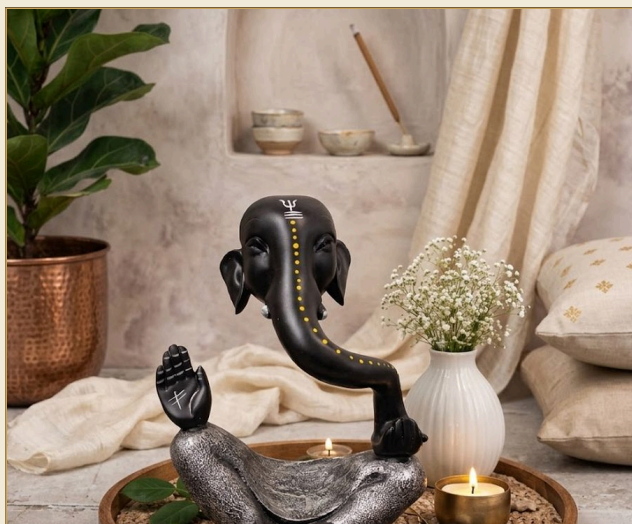

A glossy white praying hand cradling a golden-robed Buddha bust — soft contrast for bright interiors.

06

Powder Blue Bust

A pastel powder-blue Buddha head with a silvered lotus crown — a gentle colour note for calming spaces.

07

Playful Ganesh

A poised black-and-silver Ganesh, trunk raised in blessing — a lighthearted devotional accent.

Wild Elegance

08

Charging Bull

Matte black with gilded horns and hooves, poised on a carved floral base — strength rendered in still form.

09

Antlered Pair

Faceted, low-poly deer in matte black with gold-leafed antlers; one standing, one at rest — sold as a pair.

10

Prowling Cat

An angular, sculptural leap frozen mid-stride — bold contemporary geometry for a modern console.

Wild Elegance

11

Brocade Stallion

Ornately detailed in silver filigree and gold leaf on a stone-effect base — a statement piece for grand interiors.

12

Bowing Colt

A minimalist wing-maned horse caught mid-bow — quiet motion captured in matte black resin.

13

Elephant Trail

A trailing family of elephants, one perched at the shelf's edge — warm stone-toned texture for a playful accent.

Wild Elegance

07

14

Bronze Bull

A burnished pewter-bronze bull, alert and poised on a rocky outcrop — a warmer finish on a familiar strength.

15

Seven Horses

The traditional Vastu septet, cast mid-gallop in black and gold across a sculpted base — motion and fortune combined.

16

Balancing Act

Three stone-toned elephants stacked in a playful acrobatic pose — a whimsical spin on a classic motif.

Feathered Grace

08

17

Winged Ascent

Dramatic black-and-gold wings caught mid-flight atop a sculptural base — abstract avian form for a statement shelf.

18

Peacock Bowl

A regal peacock in emerald and gold, its curved tail forming a catch-all bowl — function dressed as ornament.

Character & Charm

19

Cool Butler

Bow-tied and bespectacled, offering a brushed-gold tray for keys or trinkets.

20

Strongman Server

Muscled and sunglassed, holding two gold trays aloft above a bar cart.

21

Street Beat

Cap, boombox and gold chain — a hip-hop tribute offering a gold serving tray.

22

Snow Butler

The same cool bulldog butler in glossy white and gold — offering a tray with a lighter touch.

The Muse

10

23

Flora Busts

Sculpted faces crowned in hand-painted blooms, doubling as catch-all bowls — offered in two sizes.

24

Tango

An abstract embrace captured mid-turn, gold-tipped hands finishing a fluid black silhouette.

25

Belle of the Bottle

An elegant figure in a flowing blue-and-gold gown, cradling a wine bottle within her draped skirt.

Little Wonders

26

Golden Owl

Dotted texture finished in warm gold, wide-eyed and watchful — a symbol of wisdom for any shelf.

27

Snow Owl

The same watchful silhouette in cool ivory and charcoal dot-work — a quieter companion piece.

28

Owl Trio

Three golden owls perched along a carved, flowering branch — a wisdom-themed cluster for shelves and mantels.
